

AUSTRALIAN CYPRESS

GREENWOOD PRODUCTS COMPANY

WHAT IS IT?

The veneer of this product is Australian Cypress (*Callitris Glaucophylla*) harvested in Southeastern Australia. The government of Australia utilizes some of the most stringent forestry policies in the world to ensure all timber is harvested from certified forests and all lumber products are 100% environmentally friendly. The core of this product features 100% recycled hevea hardwood (rubberwood) that has completed its commercial lifespan in the latex industry.
